

MEDICAID ELIGIBLE ONLY

If your child needs transportation to and/or from a doctor's appointment you must call the

“Council on Aging” at 284-6345

Ask for the Transportation Department.

Let them know if the student is to be picked up from home or from school.

They will also need the address where the student is to be dropped off after the doctor's appointment.

Please have this information available before you call the “Council on Aging”.
